District has 100 per cent success rate in listing community assets

NEW statistics show that 100 per cent of applications to list community assets in South Somerset have been successful.

South Somerset District Council's (SSDC) Register of Assets of Community Value currently features 23 properties/plots of land, although only one by Anders Larsson anders@tindlenews.co.uk

has progressed to negotiation between owner and potential 'saviour'.

The Community Right to Bid came into effect in

September 2012 as part of the Localism Act 2011 and gives local communities the chance to save assets believed to be of benefit to the community.

For example, the legislation can be used to try to prevent pubs from being converted into housing.

Voluntary and community organisations as well as parish councils can identify assets and apply for

> them to be placed on a Register of Assets of Community Value.

All applications in South Somerset have so far been successful.

If an asset on the register comes up for sale, the applicant can be given a certain period of time to put a bid together.

SSDC administrates the register but stresses it plays no part in negotiations, and the owner of an asset on the register is under no obligation to sell to the community applicant.

The register is only there to give the community applicant sufficient time to prepare a bid, which will compete with any other bids there may be.

Incorporating The

The fresh statistics have been prepared for SSDC's District Executive, and show that the only asset on the register which has progressed to negotiation between owner and bidder/applicant is a piece of land in Ilminster.

It is known as The Hammerhead Access to Brittens Field and Wharf Lane Rec, and the owner is in negotiations with Ilminster Town Council.

Hinton St George tops the register in terms of the number of listings, with a total of four: The Dinnington Docks, Green Street/Hinton Close parking area, Lord Poulett Arms, West Street school house and playing fields.

Other assets in the Ilminster, Chard, Crewkerne areas are Barrington Oak Public House, Combe Wood Recreation Field in Combe St Nicholas, The King's Head in Merriott (lapsed) and Chard Young People's Centre.

Property/land owners who believe they have incurred costs as a result of complying with Community Right to Buy Bid can apply for compensation from the relevant council.

SSDC is in the process of designing its compensation scheme, and central government recognises the potential risk to local authorities and will provide a safety net whereby it will be responsible for paying any verified claims in excess of £20,000.

Mayor warns of bank closure's knock-on effect

AXMINSTER mayor Douglas Hull says HSBC's decision to pull out of the town is a matter between the bank and its customers, but he warns there is "always a knock-on effect".

HSBC announced just over a week ago that its Axminster branch will close at the end of

A press bulletin said there had been, on average across all branches, a 40 per cent reduction in footfall over the last four years - but in a further statement to Pulman's View, HSBC said it did not have footfall statistics specific to the Axminster branch.

In a letter to customers, however, HSBC said the decision was made "after careful analysis of the branch's commercial viability".

Although Axminster will have four banks after HSBC's closure, there is an element of concern.

Axminster mayor Douglas Hul said: "It's between them and the customers – but there is always a knock-on effect once there is a clo-

"People who come into town to bank slip into other shops and businesses and might stop for a coffee - and when you start losing banks you could lose these customers."

HSBC is promoting Chard as an alternative for its Axminster customers.

Axminster Printing co-owner Jane Rockett is not affected by the closure, but echoed Mayor Hull's thoughts by saying: "There is a risk that business is taken from Axminster to Chard if people do their banking there.'

From the editor's chair Are the other banks safe?

are the days when you could have a cosy chat with your bank manager who would listen sympathetically to your financial needs.

How many of us actually know who our bank manager is? In fact, do bank managers exist anymore?

I pose these questions after the news, reported last week with further reaction this week, that HSBC in Axminster will be closing its doors in September with its customers being moved to the Chard branch.

HSBC say there is a reduction of 40 per cent in footfall across all branches, though they did not have any specific figures for Axminster.

I've been a customer of HSBC and its forerunner, The Midland Bank, for 50 years.

I suppose I'm fairly typical of your average bank customer these days - I rarely go into my

the internet. I can't remember the last cheque that I had to pay into my account and we are told that cheques will be eliminated completely within a few years.

There are fears that Axminster's loss could be Chard's gain as businesses switch across the Somerset border.

But it's the older customers who will be most affected, those who do not have - or indeed want - access to the internet.

Some would argue that a small town like Axminster does not need five banks but how safe are the four remaining establishments? NatWest is closing their Lyme Regis branch. Will we be reporting on other closures in the coming months?

I wouldn't put money against it.

HONITON

Has MP made U-turn on fracking stance?

A HONITON resident says the town should be safe from fracking after an alleged U-turn by MP Neil Parish (Cons).

But Mr Parish, who is MP for the Tiverton and Honiton constituency, hasn't admitted to making a U-turn.

Instead, he issued a statement saying he can see both pros and cons with fracking, which is a process to extract oil or gas.

Having listened to Mr Parish in a Westminster debate on June 30th, Honiton resident Tony Simpson claimed the former had changed his mind and is now opposing the views of the Prime Minister.

New direction for Somerset Skills & Learning

THE future of Somerset Skills & Learning takes a new direction next month as Somerset County Council's Cabinet members endorsed its transfer to a new social enterprise.

As a part of the county council, Somerset Skills & Learning delivers training courses in a wide range of subjects leading to better education, employment, health and social outcomes in local communities across Somerset.

From August 1st it will no longer be part of Somerset County Council, instead run as a Community Interest Company and very much staff run.

All 175 staff will be transferred to the new organisation and services to customers of the Somerset Skills and Learning Service will be largely unaffected by the change

Councillor David Hall, deputy leader of Somerset County Council, said: "The transfer of Somerset Skills & Learning to the new social enterprise ensures that high quality adult and community learning services will continue to be delivered to the people

of Somerset for the foreseeable future. "This new organisation will be better placed to adapt to future changes and also able to enter into more collaborative partnerships with a wide range of organisations. We wish them every success in this

new venture."

Susie Simon-Norris, new chief executive of Somerset Skills & Learning, added: "This is a really exciting opportunity for Somerset Skills and Learning. We will continue to deliver high quality training and leisure courses, as well as working with a range of partners and employers across Somerset.

"As an independent Social Enterprise we will be able to increase the range of partners that we work with, and offer a wider range of innovative learning opportunities"

To find out more about Somerset Skills & Learning and their courses, visit www.learnsomerset.co.uk or contact 0330 332 7997.

Archdeacon Ruth named next Bishop of Taunton

DOWNING Street has announced that the Venerable Ruth Worsley is to be the next Bishop of Taunton in the Diocese of Bath and Wells.

Ruth is currently Archdeacon of Wiltshire in the neighbouring Diocese of Salisbury, a position she has held since January 2013.

Archdeacon Ruth, 53, said she is "delighted to be heading to Somerset" as the 13th Bishop of Taunton. After her ordination in 1996, Ruth served for 14 years as a parish priest in Nottingham in one of the poorest areas in the Diocese of Southwell and Nottingham. During this time she served as an Area Dean and was made Dean of Women's Ministry for the dio-

Speaking on last week's announcement, Ruth said: "I am surprised and amused to be chosen as the next Bishop of Taunton as I grew up in a non-conformist church where women held no roles of leadership.

"I am delighted to be heading to Somerset to join the diocesan team in this wonderful part of the world. moving 'next door' as it were. It will be a great privilege to meet and serve everyone who lives and works in the county.

Welcoming Ruth, the Right Reverend Peter Han-cock, Bishop of Bath and Wells, said: "I am delighted by this appointment. I look forward to sharing in the service of Christ with her and know our parishes. schools, chaplaincies and all our communities will benefit from the gifts she brings.

"The mission of the church will be greatly enhanced through Ruth's contribution to the leadership of the diocese as together we seek God's vision for the people and places of Somerset.'

Ruth, who is married with three grown-up sons, will be ordained and consecrated as a Bishop by the Archbishop of Canterbury, Justin Welby in London this autumn. Summer weather draws in the crowds at Horton fete

FINE weather helped draw in the crowds at Horton Village Fete last weekend.

The fete was held in aid of the village church and hall with the hall packed throughout the day as residents and visitors tucked into homemade cream teas served by "nippies" Nicola Dawes and Shirley White.

There were also many stalls offering everything from plants to crafts

for local charities.

Entertainment included dancing performed by children from Neroche Primary School as well as poetry reading.

There was also a raffle, tombolas and traditional fete games and an art display. The day rounded off with a disco for the children with music for the adults provided in the evening.

Rotary's Youth Leadership award winners invited back to talk about their experiences

THREE students from Wadham and Holyrood schools and Somerset College, who were all selected to receive Rotary Youth Leadership Awards earlier this year, were invited to the Rotary Club of Ilminster to give a presentation on their experiences.

In front of friends and family they gave an acbeen interviewed and selected by Youth Committee members, they all had cold feet at the prospect of spending a week on Dartmoor with a group of

The presentation was led by 18-year-old James

White who attends Somerset College and is currently studying travel and tourism.

He spoke of the many team building activities they carried out, and how the focus for the week was always on the positive aspects of their achievements, whether is was going on an expedition, abseiling or playing

Dan Clements, who attends Holyrood Aacademy in Chard and is planning a career in the Army, said that the course had given him a much greater level of confidence.

This was reiterated by Ollie Staples, who is now president of the Head Student Team at Wadham School, and who said: "Before going on this course I would never have been able to stand up and speak before an audience. It has been really great and I have

In summing up their experience James, who was selected by the whole group as their "Man of the Week", said: "I was really reluctant to do it but my wonderful grandparents insisted that I had to go. Once I got there it was really strange that after only a few hours it felt like we had all bonded and I am sure I have now made friends for life.

"It really has been a life changing experience. One of the key things I learnt was to appreciate the differences between us, to tolerate others' point of view, and not to judge a book by its cover.

"I will always be grateful to Rotary for giving me this opportunity.

Linda Piggott-Vijeh, who takes over as

president of the Ilminster club next month, commented: "The work that we do to support and develop our young people is really vital. Sending youngsters on a RYLA course, which costs £600 per person, is really worthwhile.

"In the past we have struggled to find suitable candidates to come forward, but by inviting other youngsters along to this presentation to hear first hand about what a great opportunity it is, I am hoping that this coming year we will have even more students

"I am keen that we raise the necessary money to send as many as we can. As we usually do this by hosting fund raising suppers I can see that it is going to be a busy year ahead!"

Rotarians enjoy summer BBQ to raise funds for local charity

MEMBERS of the Crewkerne and District Rotary Club hosted a barbecue at Stocklinch Brewery to raise money for local charity Horsehoes & Handprints.

The club was joined by fellow Rotarians from neighbouring groups in Crewkerne, Chard and Ilminster for the occasion, which also included an evening og live music.

The Ilminster-based charity, which was orig-

inally set up to provide sensory therapy for children with autistic spectrum disorders, is going from strength to strength thanks to such strong local support for its events, and it is hoping to be selected as Sainsbury's charity of the year.

A raffle for a Fortnum & Mason hamper raised a further £250 and was won by a member of Crewkerne Inner Wheel

Sainsbury's donates to Street Pastors

■ STAFF at Sainsbury's in Chard were delighted to present Chard Street Pastors, the supermarket's charity of the year, with a cheque for £1,371. A Sainsbury's spokesperson said: "It is to help support their wonderful work in Chard." Pictured above are store managers Aaron Kershaw and Helen Standerwick presenting the cheque to Lizzie Ingrams (second right) and her fellow street pastors, who patrol the streets late at night over the weekends to ensure the safety of those enjoying the local nightlife.

Car knocks over garage oil tank

DEVON and Somerset Fire and Rescue Service attended an incident that involved a car knocking over an oil tank in Chard.

The accident happened in a garage in Oak End Way, and a spokesperson for the fire and rescue service said: "One fire appliance from Chard, one from Taunton along with the Environ-

mental Protection Unit were mobilised to this incident.

"Upon arrival crews confirmed one vehicle had gone through the garage and tipped over a heating oil tank resulting in 200 to 300 litres of oil leaking into the garden.

"Crews made the vehicle safe and secure and set to work to stem the oil leak."

Camera club enjoys varied days out

MEMBERS of Chard Cambera Club recently visited Smeatharpe Stadium to photograph banger racing.

The group of 16 was lucky enough to be permitted to take up position in the centre of the arena to increase their chances of getting very close to the action and catching good images.

The intention of the visit was to obtain images from all aspects of the meeting, of which five would be selected for the clubs submission to the annual Kingswood Salver competition, a Western Counties Photographic Federation inter-clubs competition.

All members having attended said that they had thoroughly enjoyed the experience and to many it was another tick off in the list of images to be taken in their personal files.

Club members also ventured to Connaught Gardens in Sidmouth last week for photo practice.

Eleven members made the trip and found that Ottery Silver Band was in attendance as well, which added to the photo opportunities.

A spokesman for the club said: "It was most pleasant for the members to go about composing images around the garden whilst listening to the popular and recognisable tunes from the band In the back ground.

"The club spent a most enjoyable and pleasant two hours in the grounds collecting many images.

"The club received good news as one members has had a print selected to represent Western Counties Photographic Federation in the Photographic Alliance of Great Britain PAGB (Inter-Federation print competition).

"Peter O'Shea Senior had submitted his print, called 'The Old Hen House', for consideration and has been selected, a first for a while for the club."

Anyone interested in joining the club should contact membership secretary Peter Partridge on 01460 66885 or visit the website www.chard-cameraclub.org.uk

THE judges were overwhelmed by the quality of performances at Holyrood Academy's annual poetry recital competition.

Organised by the English department on Thursday, June 25th – entitled I Love Poetry – 37 budding poets from Years 7, 8 and 9 prepared poems to recite off by heart to a panel of judges and an audience.

Students were judged for their clarity, diction and smooth delivery by Martin Brook, Amy Wheatley and Jane Edge.

A spokesperson for the academy said: "This is competition offers students the amazing opportunity to demonstrate their poetical ability to staff, friends, family and the wider community.

"The event acts as excellent preparation for a national competition for 14–18 year olds, Poetry by Heart, which Holyrood students are also encouraged to participate in.

"The judges were overwhelmed by the quality of the performances and the variety of the poems that were recited. Standards were so high that choosing the winners was extremely difficult, with a number of performances receiving a perfect score."

Jamie Atkinson, who organised the event, added: "I would like to thank all of the students who took part for their hard work and courage, as well as the parents, carers and friends who made up the fantastic audience.

"I'm already looking forward to I Love Poetry 2016."

The Year 7 winners were Lucy Poole and Ellie Hull, who performed "Jabberwocky" by Lewis Caroll. The girls were also crowned overall champions of the competition. The Year 8 winner was Megan Edwards, who performed "Opposite Day" by Kenn Nesbitt and the Year 9 winners were Gabriella Lang, who performed "The Crocodile" by Roald Dahl, and Tom Conroy, who performed his own poem entitled "Adoption".

■ CLAYMATION: Children and their parents from local primary schools and their clay models at the animation workshop

Holyrood hosts animation workshop for primary pupils

HOLYROOD Aacademy last week hosted its popular "Claymation" courses for local primary pupils.

Two fantastic courses were run for Years 5 and 6 and then for Years 3 and 4.

Pupils attended with their parents for two sessions after school, a week apart. They were taught the basics of creating an animated film and then got started on building their model characters from clay and creating a backdrop and stage before taking a series of photographs, making small movement adjustments to their characters and props between each

pnotograpn.

With a lot of patience, pupils then had hundreds of photographs ready for the editing process where they experimented with timings, adding elements and recording voiceovers, resulting in some great mini-animations.

A spokesperson from Holyrood said: "Well done to everyone who has attended these courses from Buckland St Mary, Manor Court, Ashill, Winsham, Tatworth, and Redstart.

"We look forward to welcoming more families next year."

■ FAREWELL: Retiring Crewkerne town clerk Jeanna Warner with former mayor and current chairman of the district counci, Councillor Mike Best (left) and town crier David Craner

Special send off for retiring town clerk

CREWKERNE town clerk Jeanne Warner has closed a chapter of almost 20 years working in Vic-

It was in February 2000 that Jeanne made the short move from the building's front office to the town clerk's office at the back. She had been a South Somerset District Council (SSDC) employee in the front office for four years when appointed town clerk by Crewkerne Town Council.

Her colleagues staged a well-attended retirement send off for her in the council chamber on Tuesday,

Jeanne told Pulman's View: "It's been good to work here, it is a very enjoyable place.'

About retirement plans, she continued: "I will pursue my hobbies, so a bit more walking, gardening, traveling and time with the family.'

Former Crewkerne mayor and current SSDC chairman Mike Best attended the send off. He has been involved with the town council for a long time and recalled following Jeanne's progress from the front office into the role of town clerk

"It is both a sad day and a happy day," he said.

"It is a sad day for us because you are leaving, but a happy day for you because you get your wellearned retirement. You have been an absolute credit to the town. Thank you for all you have done and have a very happy retirement.'

Residents enjoy reminiscing at 40th anniversary of Henhayes

becue held to celebrate the 40th anniversary of the Henhayes Centre in Crewkerne attracted more than 50 people last Friday afternoon (July 3rd)

The trustees and volunteers were pleasantly surprised to have 54 people sit down and help make everything go with a swing

Trustee Alan Spin-ney said: "Beautiful crockery was hired and plates of scones with jam and clotted cream were served by waitresses dressed in black and white.

"Pictures of the old Crewkerne Day Centre were pored over, the sun shone, the chatter grew louder and louder and everyone had a really splendid time.

"This was followed by a barbecue and music for dancing from the Dave Bowen Quartet.

"This weekend the centre has really been

hopping. The official opening of the centre took place on November 21st 1975 and there will be an evening event with dinner and guests from all the organisations that were involved with the original building that many still remember

"Thank you to all those who came and sup-

ported the anniversary events and made it such an enjoyable time.'

Strongman competition Saturday 18th July

LEE Strawbridge has competed within five competitions in Cornwall, Kent, London and came fifth in Southampton a few weeks ago after returning from being in intensive care last year.

Lee broke 13 ribs and 5 vertebrae; he shattered his collarbone and punctured his lung in a fall.

The doctors stated that strongman training had saved Lee from being paralysed.

Lee said, "I couldn't wait to get back training and decided to hold a fundraising competition for the Ottery Tar barrels event, which I participate in every year. The competition will be held on Saturday 18th July and starts at 11am at Canaan way, Ottery. Competitors are currently booked in from Kent, Southampton, Bristol, Cornwall and of course Ottery. There will be a bar and BBQ on site all day for spectators and also a few events for people to try!

Lee's wife has also caught the bug and has competed in three competitions this year so far. During August this year, Ottery will be hosting 'Ottery's strongest woman 2015' at the family fun day.

Diary Dates What's Happening in July at Ilminster Arts Centre

Cool jazz on a summer's evening. Add in a delicious home-cooked meal, good company and the historic surroundings of the Meeting House and you've got the makings of a great night out. Every Friday night this July, we will be providing just that with a series of superb jazz concerts. Things got underway on July 3rd with the latest of Mike Denham's 'SpeakEasy' nights, when the master of vintage jazz was ioined by formidably talented clarinettist and sax player John Wurr. On the 10th the Chris

Gumbley Quintet will be 'playing tribute' to the late, great saxophonist, Cannonball Adderley, while blues legend L'il Jimmy Reed joins us on July 17th, for an evening of soulful Louisiana blues. On the 24th two of Scotland's finest jazz musicians, saxophonist Tommy Smith and pianist Brian Kellock, will play classics from the great American and European songbook. We end July with an evening of feel-good jazz from Digby Fairweather and his Half Dozen, who are playing IAC on Friday 31st as part of their 'The Swing is the Thing' tour.

On Sunday, July 26th we host Maiastra, one of our series of superb classical concerts given by top-class students from London conservatoires. Violinist Arisa Fujita's quartet will perform a programme that features Haydn, Bach and Beethoven's Quartet in E flat major, Op 127. This concert is not in our brochure but full details of it, and all our other events. are on our website, www.themeetinghouse.org.uk.

Our visual arts offerings are equally enticing. In the Gallery until Saturday 25th, 'Across the Borders' features three artists from Dorset,

three from Devon and one from Kent Roaming across the landscapes and coastlines of their respective counties. this dynamic exhibition includes appliquéd textiles, mixed media, ceramic sculptures and prints as well as fused glass. 'On the Edge' opens on 27th July and showcases the skilful work of the Stitch Textiles Artists, whose interpretations of the show's title take stitch practice to the edge of conventional boundaries. In the Café there will be a display of paintings by the late Kenneth Garwood.

For those who prefer a hands-on approach to art, our programme of Workshops has plenty to satisfy those creative urges! Unfold the art of fabric origami on Wednesday 15th, or experience the fun of felting on Friday 17th. Our Dorset Buttons workshop on 23rd is a wonderful opportunity to discover a distinctive local craft, and make your very own personalised button! The creativity continues through to the end of the month with our Rag Rugs workshops on 24th and 'Crazy Patchwork' on the 31st.

Branscombe village, various venues · www.branscombefestival.co.uk

THE stunning Devonshire village of Branscombe once again plays host to some of the world's top musicians when the Branscombe Festival returns for its third year from Friday 24th to Sunday, July 26th.

The festival is once again curated by Ian Rosenblatt, with renowned pianist Iain Burnside (a regular accompanist for the Rosenblatt Recitals) and presented by BBC Radio 3 broadcaster and journalist Petroc Trelawny.

A cream tea will be served on the Saturday afternoon and a hog roast available later that evening. The Festival culminates in a FREE concert on Branscombe beach by the Band of the Royal Marines. Located within the East Devon Area of Outstanding

Natural Beauty, Branscombe Festival was launched in July 2013 by local resident Ian Rosenblatt. His aim was to mirror the ethos of the Rosenblatt Recitals by enabling audiences to experience leading international musicians

Previous festivals have been a runaway success with the Sidmouth Herald stating that "a magical atmosphere lingered delightfully over the village of Branscombe last weekend as the inaugural Branscombe Festival blossomed into glorious full flower."

Ian Rosenblatt says: "I am delighted to announce the programme for Branscombe Festival, now in its third year. We have a stunning array of musicians and singers involved, from singers Susan Bullock and Francesca Meli to the return of the Leo Green Experience, and I can't wait to welcome them all to the beautiful village of Branscombe. We hope that people from near and far will enjoy everything that the Festival and the surrounding

Talaton and the Great War

One Hundred Years Gone 1914–1918

An exhibition of Memories and Stories from the Great War

FOLLOWING the success of last year's event this exhibition shares memories and stories that we have researched over the last 12 months. Talaton's story includes all those who call that parish home both past and present and we hope to include a lot of new memories.

The story of the Great War will take us from the high seas off South America to the last days of the Dardanelles Campaign and from the Ypres Salient to the Somme, in the company of the navy, cavalry, flying corps, infantry and the artillery.

Amongst others, we will be following in detail two local soldiers in the Devonshire Regiment on the first day of the Somme and another from his arrival on the Western Front through his service at Ypres to his death in France in 1918.

Our exhibits will include original artefacts and pictures, photographs, trench maps and histories of soldiers, of all ranks, linked to the parishes of Talaton and Larkbeare, the Escot estate and Talewater.

A highlight of this year's exhibition will be a fully equipped Bell Tent manned by Soldiers of the Great War. We are indebted to the WW1 Living History Group for providing this exceptional opportunity to see what everyday life was like behind the trenches in the 'war to end all wars'.

Adjacent to the Church, from 5pm, join in the fun at the Talaton Church BBQ with live music and licensed bar. Take part in skittles and family games, tumble, visit the book and white elephant stalls. Also for sale will be plant and produce, make and bake.

For a view on all the fun climb to the top of the Church Tower

The exhibition of Memories and Stories from the Great War takes place in the Church of St James the Great, Talaton on Saturday, July 11th, from 12noon to 7nm Entry in free

The And Finally Big Band to play Octagon Theatre

'THE And Finally Big Band' is an offshoot of the critically acclaimed 'And Finally... Phil Collins', and they'll be performing in Yeovil later this month.

Show producer and drummer Tim Harper has always wanted to create a traditional jazz swing orchestra in the style of Phil's own big band and this is it!

The original Phil Collins Big Band was a side project, which performed in 1996 and 1998. The group presented big band renditions of Phil Collins and Genesis songs. The group was primarily an instrumental act, with Collins remaining behind the drums, like the early days of Genesis and rarely singing at performances. Initially the band did a short tour in 1996 culminating in a live filming of their appearance at the 'Montreux Jazz Festival'. The band released one album... 'A Hot Night In Paris', recorded in 1998 and released in 1999.

'The And Finally Big Band' accurately recreates a combination of both of Phil's live Big Band

shows using the original musical arrangements and performed by a twenty world class musicians. Such great classics as 'Sussudio', 'Two Hearts', 'In the Air Tonight', 'Invisible Touch' and many more of Phil's compositions are given the huge Big Band treatment.

Phil's original shows had a guest vocalist appearance by Tony Bennett. For this show Chris Lloyd, of Talon fame, joins the band for a cameo performance singing some classic swing standards of the Big Band era.

This is a unique show combining the rare Phil Collins performances with an unforgettable big band experience performed by the very best of UK musicians.

The And Finally Big Band play at the Octagon Theatre, Yeovil on Saturday, July 18th. Tickets costs £20/£18.50. For more details or to book call the Box Office on 01935 422884 or visit www.octagon-theatre.co.uk

BUSY LANDLORDS WORKSHOPS AT SYMONDS & SAMPSON PROVIDING LEGAL KNOWLEDGE AND BUY TO LET ADVICE

RACHAEL James, Head of Lettings has hosted three Landlord's Workshops over the last month throughout the region from Axminster in Devon, Poundbury Dorset and Yeovil Somerset.

"We were delighted with the turnout, it was so interesting to meet such a wide variety of enquiries. They ranged from buy to let investors where we gave advice on properties to buy that would attract the right tenants, to concerned Landlords wishing to be advised on the new legislation the private

Symonds

rental sector has been bombarded with recently.

We have had to completely change our legal documents and advise our landlords of the fundamental changes to the law and their obligations. There are so many landlords managing

their own properties without the knowledge that can affect possession procedures. We pride ourselves on ensuring all our lettings staff obtain ARLA (Association of Residential Lettings Agents) qualifications so that they are in a position to give our landlords and tenants the most up to date advice.

This is why at Symonds and Sampson, we have decided to provide this information by organising regular Landlord's workshops throughout our 12 offices. For forthcoming events or indeed, a personal meeting, please contact Rachael James on 01258 458473 or email rjames@symondsandsampson.co.uk

SPOTLIGHT

SPOTLIGHT ON MY SERVICE

Westcountry Chimney Services

WESTCOUNTRY Chimney Services are a professional company based in East Devon providing chimney services throughout Devon, Dorset and parts of Somerset.

Trained by the Guild of Master Chimney Sweeps, proving commitment to the chimney industry and demonstrating this commitment and professionalism by taking the time to pass the Guilds assessment.

We are fully insured and will supply a certificate for every flue swept.

Advice will be given on areas such as correct ventilation as this will help to improve the efficiency and safety of the appliance.

It is extremely important to regularly sweep your chimney flue to prevent soot build up within the flue which can cause a chimney fire.

Soot build up can cause damage to the flue, not only reducing the efficiency of the appliance but can cause dangerous fumes such as carbon monoxide leaking into your home thus why regular sweeping is imperative.

Included in our service:

An inspection of the flue will take place to check condition and see if there is any obstruction or damage to the flue, then

The appliance will be checked for any damage such as cracks and corrosion of the seals.

The flue will be swept using the correct equipment and all fall out will be cleaned up and removed

Finally a smoke test will be done to confirm the appliance is drawing efficiently.

All prevention will be taken to stop any soot getting on to carpets or furnishings by the use of dust sheets, protective foot ware and a commercial vacuum. Westcountry services do a wide range of chimney flues including woodburners, range cookers, Agas and inglenooks.

Exclusivity guaranteed with New Kia Sportage Axis Edition

EXCLUSIVITY is guaranteed with the new Kia Sportage Axis Edition, a limited-run model of which only 1,200 will be made. The Sportage 'Axis Edition' has been styled and equipped to provide retail and fleet customers with many of the features of a high-grade Sportage for a mid-range price, starting from just £20,995 on the road – on sale from

It will be available with a choice of two efficient powertrains and four paint colours. The engines on offer are the 1.6-litre GDi direct-injection petrol unit developing 133bhp and 165Nm of torque, or the advanced 1.7-litre commonrail turbodiesel which develops 114bhp and 260Nm. Both are front-wheel-drive models featuring a six-speed manual transmission linked to Kia's Intelligent Stop & Go (ISG) engine stop-start

system to

s a v e

The standard colour is solid Arctic White, but buyers are able to opt for one of three metallic finishes - Phantom Black, Fusion White or Dark Gun Metal - for a price of

SUV finishing touches

The Sportage 'Axis Edition' models sit between trim grades '2' and '3' in the range, but include many of the features found even higher in the line-up plus a number of SUV finishing touches, including roof rails as standard. The black gloss arrow mesh radiator grille with chrome surround, LED daytime running lamps and rear LED combination lamps and the roof-mounted 'shark's fin' antenna deliver a premium look. Automatic headlight control is included in

the lighting package, and the 'Axis Edition' models are fitted with electric folding door mirrors with LED indica-

The sumptuous interior is upholstered in

unique black leather with contrasting grey Dinamica® microfiber inserts. This is complemented by the light grey door inserts unique to the 'Axis Edition' models. The front and outer rear seats incorporate heater elements. The premium look of the interior is enhanced by black headlining, black B and C pillar coverings and black sun visors, grab handles and map light switches. Privacy glass and an auto-dimming rear-view mirror are other luxury flourishes fitted as standard. 'Axis Edition' logos are applied to the outer C pillars. Lavish specification

The lavish specification includes a seven-speaker Infinity®high-end sound system incorporating a subwoofer and external amp. This includes an AM/FM radio. CD player USB and AUX sockets and iPod connectivity. Bluetooth music streaming and hands-free phone operation are also supported, with voice control in any of ten languages.

The Axis Edition models also come with a seven-inch touchscreen satellite navigation system including full UK postcode recognition and European mapping for 44 countries. The system includes TMC traffic messaging with a detour function, motorway junction views, lane guidance and a speed limit alert. It allows the driver to input quick, short and economy routes. A reversing camera with views displayed in the touchscreen is an additional useful feature built into the system.

The 'Axis Edition' models are fitted with the same 17-

inch light alloy wheels and 225/60 R17 tyres found on Sportage '2' and 'KX-2' grades. **Europe-focused powertrains**

The 1.6-litre GDi (Gasoline Direct Injection) engine is from the Gamma family. GDi makes it possible to increase power and torque levels while reducing fuel consumption and CO2 emissions. Typically, a GDi engine will deliver seven per cent more torque at low engine revolutions and 12 per cent more torque at high rpm than a conventional engine of similar capacity – and with a fuel economy improvement of around ten per cent.

It develops 133bhp at 6,300rpm and 165Nm of torque (122lb/ft) at 4,850rpm. It is an aluminium 1,591cc 16-valve twin-cam unit with variable valve timing on both the inlet and exhaust valves, and featuring a high 11.0:1 compression

A fine mist of petrol is injected directly into each of the four cylinders at up to 135 bar in minutely precise quantities and with millisecond timing to ensure the Sportage uses only as much fuel as it needs, exactly when it needs it. The result is highly efficient combustion that ensures excellent performance with low fuel consumption and emissions the 1.6-litre GDi Sportage with ISG has a combined fuel economy of 44.1mpg and CO2 emissions of only 149g/km. It accelerates from 0-60mph in 10.7 seconds and has a maximum speed of 111mph

A Haven of Vorsprung Durch Technik

All-new Audi A4

MORE powerful, more efficient, more intelligent: the new Audi A4 and A4 Avant feature numerous premium technologies which set higher benchmarks for their class. Elegant design blends with an innovative control concept, and lightweight construction meets new efficient drivetrain solutions. The A4 and A4 Avant are also ahead of their peers in terms of infotainment and assistance systems. As a result, UK customers who will begin taking delivery of their cars in late 2015 can look forward to a truly high-tech experience - an innovative synthesis of technology and aes-

When it comes to aerodynamics, the two new models dramatically outpace the competition. The A4 Saloon has the best drag coefficient in its class at 0.23, and the A4 Avant pierces the air almost as cleanly with a 0.26 figure. The new models also have impressively low CO2 emissions which in the 2.0 TDI ultra dip below 100g/km.

The most powerful engines are two TDI six-cylinder units with up to 272PS. Driver assistance and infotainment systems are of luxury quality. A new generation of fourcylinder TFSI engines with newly developed combustion methods sets benchmarks in terms of fuel consumption, emissions and performance for four-cylinder petrol engines.

At 4.73 metres long and with a wheelbase of 2.82 metres - the new Audi A4 and A4 Avant have a confident stance on the road. A prominent horizontal line on the front and design with concise lines communicates the sporty elegance of the brand. The Singleframe grille is wide and low; the optionally available headlights in LED and Matrix LED technology (including dynamic indicators) make technology a visual trademark. Up to 120 kilograms lighter

Compared with the previous model, the car's dimensions have grown but its weight has been reduced significantly - by up to 120 kilograms, depending on the engine. The body of the new Audi models is one of the lightest in its class thanks to an intelligent material mix and lightweight construction.

The Audi A4 is a leader in its class also in terms of noise levels. All occupants enjoy generous space; the smooth lines emphasise the width of the interior. The front of the dashboard features a broad band of air outlets and a large decorative surface. At night, ontional discreet contour lighting illuminates the doors and the central console. The quality of workmanship is uncompromisingly high. Colours and materials follow a new line concept allowing customers even more freedom during configuration.

Sensor-controlled opening of luggage compartment: the A4 Avant

The luggage compartment of the new A4 Avant offers storage space of 505 litres, which is the highest value in this class. With the rear seats folded down and loaded to the roof, a volume of 1.510 litres is available. The electric luggage compartment cover and electric tailgate are standard equipment. An optional extra is sensor control for opening and closing the tailgate. The two new models offer an abundance of

intelligent technologies, the use of which is even more intuitive with the new Audi MMI display and control concept. Technological highlights of the new A4 include the Audi virtual cockpit, the Audi Matrix LED headlights, the Audi smartphone interface, the Bang & Olufsen Sound System with 3D sound, the Audi phone box with wireless charging, the head-up display, and new driver assistance systems and Audi connect services.

Information and fascination: the Audi virtual cockpit and the MMI

The focus here is on two innovations. The optional Audi virtual cockpit, a fully digital LCD screen that displays the most important information in brilliant high-resolution graphics, with great detail and sophisticated effects.

The MMI control concept in the centre console is also a newly designed feature and acts as the main control element. The top-end infotainment system, MMI Navigation plus with MMI touch and a large 8.3-inch monitor, has a touchpad in the rotary controller to zoom in and out and to enter characters. The entire MMI control logic is similar to that of a smartphone and includes an intelligent freetext search function. The new, more natural, voice-control system also understands input in normal everyday language, such as "I want to call Peter Miller.

New Fiat 500 Revealed

in Italy, of which almost 3.8 million were sold, the original FIAT 500 was introduced on this day in 1957. Exactly fifty years later, on July 4 2007, FIAT chose to celebrate that heritage by introducing the New FIAT 500, a car which embodied the same spirit and personality as the original and which has also enjoyed phenomenal success all over

Eight years on, with over 1.5 million produced, the torch is now being passed to the New FIAT 500 with which FIAT is preparing to take on new market challenges without forgetting its illustrious roots. Centro Stile FIAT has refreshed the exterior and interior, retaining the unmistakable 500 look that has made it such a global success but at the same time making even more attractive and contemporary. It has not grown in size but vanced technologies, improved efcustomisation ideas. In this way, FIAT has carefully evolved and refined the features which have made it an Italian masterpiece in the first

Available in two body styles (hatchback and convertible), the New FIAT 500 will be available in three trim levels: Pop, Pop Star and Lounge. All models have LED daytime running lights, seven airbags and a Uconnect infotainment system with six speakers, AUX-IN/USB ports and steering wheel remote controls as standard equipment. The Pop Star version in the UK adds air conditioning, body-colour mirror caps with defrosting function and 15-inch alloy wheels, while the Lounge version adds sophisticated features such as a panoramic glass sunroof, rear parking sensors, a chrome front grille, front fog lights, a leathertrimmed steering wheel and a Uconnect 5" LIVE touchscreen infotainment system with smartphone integration and numerous built-in apps to help users stay safely connected while on the

The engine line-up of the New FIAT 500 at launch includes a 0.9litre TwinAir engine (85hp or 105hp) and a 1.2-litre 69hp unit. The two-cylinder engines boast exceptional efficiency - 90g/km for the 85hp engine and 99g/km for the 105hp unit - while a new 'Eco' configurations of the 1.2 litre 69hp (available after the launch) will reduce emissions to 99 grams of CO2 per kilometre (UK availability

Bold and seductive, the New FIAT 500 benefits from no fewer than 1,800 innovative detail changes, all designed to enhance the ownership experience and refine its inimitable style. Most noticeable are the new front headlights with LED daytime running lights and the new rear light clusters, not to mention the revised colour palette; the revamped dashboard and the improved materials used throughout. The updates are substantial, with a focus on technological evolution, but loyal to the unmistakable 500 style so as not to upset the successful balance of exclusivity and accessibility it embodies. The FIAT 500 is a global best-seller with a quintessentially Italian heart - elegant and stylish but also affordable and packed with fun - and with its carefully considered enhancements, New FIAT 500 will undoubtedly reassert itself as the benchmark in its segment from every perspective.

Elegance and Innovation Inside

The interiors are extensively revised, most noticeably in terms of dashboard design: it now integrates the advanced Uconnect infotainment (touchscreen on the Lounge version) across the range. The unit is not only easier to read and more

intuitive to use, it also improves connectivity and functionality. The dashboard dome and air vents are also redesigned to accommodate

The new steering wheel features new remote control buttons which are easier to operate and, thanks to their chrome-plated edging and high-quality materials, more pleasant to touch and to behold. The circular instrument cluster, with analogue dials for speed and engine revs and digital secondary gauges, is retained for Pop and Pop Star models, while the innovative seven-inch TFT display, developed in collaboration with Magneti Marelli - the international leader in the design and manufacture of high-tech automotive systems and components - is optional on the Lounge version.

The driver can monitor data from the speedometer, odometer and trip computer simultaneously at a glance, while the central section of the display - sporting an image of the car – can be configured to show distance travelled, fuel consumption, range, trip time etc. Warning messages and the Gear Shift Indicator, which advises when to shift gear to maximise fuel-efficiency. are also displayed in this cluster in a highly visible manner.

by Howard Larcombe County ground cup final glory for Ilminster

Somerset's T20 hopes fading fast after thrashing in local-derby clash

Local sport - cricket round-up

SOMERSET had a night to forget as they were thrashed by eight-wickets by Gloucestershire before a sell-out crowd at the County Ground in Friday evening's local-derby.

Batting first the Cidermens' innings was largely a low-key affair.

Johann Myburgh struck 38 but it wasn't until Kiwi Luke Ronchi opened up with five 6s in a 23-ball 49 that they really gave the crowd something to

But 174 for 6 proved to be well below par as Gloucestershire were always in

Skipper Michael Klinger and Hamish Marshall put on 156 for the opening wicket and they headed into the last over with just five required. Two balls and two Peter Handscomb boundaries later, it was all over

With skipper Alfonso Thomas once again going for more than 10 an over, Somerset's hopes of clinching a top four spot and a quarter-final appearance appear to be fading fast.

LC Country Championship Somerset v Sussex (Taunton, July 5th – July 8th)

RAIN played a part on day one of the county championship match at Taunton with only 56 overs possible.

Marcus Trescothick won the toss and asked the visitors to bat first

After an opening stand of 56 Lewis Gregory struck twice in successive balls as Sussex were reduced to 145 for 6 at stumps on day one.

THERE was some good news off

the field with the confirmation that twins Craig and Jamie Overton and allrounder Lewis Gregory have all signed

three year deals with the county.
The promising Devon-born trio have all had a sniff of England honours this season with call-ups to the one-day squads for the games against Ireland

and New Zealand. In addition, former England U19 wicket keeper Michael Bates (24) has had his initial one-month contract ex-

ILMINSTER 1st XI, fresh from their cup final triumph (see below), over the

same opposition, gave their chances of beating the immediate drop back down into Division Two a boost.

Taunton won the toss and opted to bat first but were restricted to 160 by Richard Elswood (3-23) and Harry Montacute (3-38).

In reply Ilminster lost cup final hero Jon Hurford for a duck but useful knocks from Skipper Sam Spurway (43) and opener Louis Kraucamp (31) saw them home in the 41st over. Ilminster 18pts Taunton Deane 5pts.Goat-

Baker Cup Final

ILMINSTER lifted the 20-over Baker Cup for the fourth time in 11 years with victory over holders Taunton Deane in a repeat of the 2005 and 2009 finals

Taunton came into Tuesday's final at The County Ground without unavailable key batsman John Rogers who has plundered 374 runs at 62 in the WPL despite the team, like Ilminster, floundering at the bottom of the Premier Di-

Nevertheless, thanks to 82 for Rob Woodman they still posted a challenaing 166 for 7 after scoring 63 off the last seven overs. Pick of the Ilminster attack was paceman Harry Montacute who bagged 4 for 34.

The Bears' reply was all about the opening partnership between Jon Hurford and Louis Kraucamp who both , smashed half–centuries.

Hurford was later adjudged Man-ofthe-Match for his unbeaten 85 as llminster passed their target in the 18th over with seven wickets in-hand and 11 balls to spare.

Ilminster's other triumphs in the competition came in 2012 (v Chard), 2010 (v Taunton Deane) and 2004 (v

Back in the WEPL and CHARD 1st XI dropped back down into the Division Two relegation zone with a 54-run defeat at drop rivals Goatacre.

After winning the toss the hosts were bowled out in the last over having rat-

Joe Draper was the most successful of the seven-man Chard bowling attack with 3 for 54

The reply didn't start too well as the visitors slipped to 45 for 3, but a fourth wicket stand of 89 between Reid Mawdsley (40) and skipper Scott Wells-Burr (55 off 40 balls, 6x4, 3x6) gave them hope. But they failed to build on this and were shot-out for 221in the

wicket victory over Taunton Deane at the County Ground on Tuesday evening. Line-up, standing, from left; Dan Vining, Josh Lee, Harry Montacute, Ian Masters, Sam Grinter, Louis Kraucamp, Jonny Warry. Front; Jon Hurfird, Charlie Vickery, Sam Spurway (capt), James Thompson, Luke Dopson.

The top-of-the-Table clash in the Somerset Division proved to a totally one-sided affair.

Hosts North Petherton were crushed by 10 wickets by a NORTH PERROTT side who now appear destined for their second successive title.

Petherton were blown away in 32 overs for just 101 with Josh Marshall-James the pick by the four-man visiting attack with 4 for 36.

The target was reached without loss by Perrott openers Alex Eckland (58no, 8x4) and skipper Gordon Whorlow (36no, 5x4) despite a miserly spell of 6–4–2–0 by ex–Somerset and England all-rounder Ian Blackwell. Nor Petherton Opts North Perrott 22pts.

Award for Gary at prestigeous festival

LOCAL rally driver Gary Le Coadou has just returned from the Goodwood Festival of Speed where he took part on the Forest Rally Stage.

The Rally stage, designed by former World Champion Hannu Mikkola, is located at the top of the Goodwood Hill Climb

The Hillclimb is driven

over the weekend by many famous drivers in Classic and Modern machinery, F1 cars and motorbikes. Motorsport icons such as Sir Stirling Moss, John Surtees, Jackie Stewart, Damon Hill and Derek Bell all join forces with the current stars of the sport Valentino Rossi, Kimi

Raikenham, Nico Rosberg

along with crowd favourite Jenson Button. The festival is the biggest motorsport event of its type in Europe set in the grounds of Lord March's Estate near Chichester and attracts over 150,000 spectators over the duration of the three-day event.

This year, Gary was honoured to win a special award voted for by the stage Marshals who judged his flamboyant driving style in the Goodwood forest to be the most entertaining of all the entrants.

At the end of the event Gary took his Toyota Celica down and displayed it on the lawns outside Goodwood House for the Awards Ceremony where he was presented with a magnum of champagne and winner's medal from Lord March.

This meant that Signs South West needed to win to finish second to make the play-off for third place.

Stunning Golden Cap is worth the toil

CHARD ROAD RUNNERS with Paul Masters SATURDAY saw Julie Bindon, Claire Pomeroy, Gary Wheaton and Simon Hall head off to see if the CHAR-MOUTH CHALLENGE lived up to its billing on another balmy hot Saturday afternoon.

With a mile climb from the start CRR's were part of the majority when the need to break into a speed walk up the latter steeper section of the hill came upon them, with this the most southerly recognised official trail race walking was going to be the order of the day on other steep climbs.

With the hills adding to the heat of the day runners were glad of the strong wind at the top, Simon Hall led CRR's over the top of the first hill.

The famous Golden Cap was the next goal, at the summit Gary Wheaton was leading CRR's pack.

With the race rolling up and down the hilly coastal path Julie and Claire kept swapping places before Julie finally pulled away.

At the finish there were just a few minutes between Gary (172nd 1:30:35) Simon (185/01:34:05), Julie (191/ 01:36:53) and Claire (196/01:38:45). The highlight on such a hot day as the runners crossed the line was the traditional hosing down for the 231 finishers by the local fire-

On Sunday Wayne Loveridge and Helen Baxter tackled the QUANTOCK BEAST.

Being round 12 of the Somerset Series this race attracted a strong field to cover the 10k of mud and hills that makes this the toughest off road race of the 20 race se-

Both runners managed to maintain good momentum with Wayne crossing the line in fourth place and Helen secured a fantastic finish to round off a very hot race.

HONITON RC with Judy Davey ON Sunday, June 30th, four Honiton Running Club members took part in the TORBAY HALF MARATHON at Paign-

This is a two lap route that takes in stunning coastal views across Torbay. Steve Selley had a great race even though it was hillier

than he had anticipated. He came 172nd in the fantastic time of 1hour 35 minutes.

David Perkins, sporting his Honiton vest for the first time, was next back coming 602nd in 1:51. The ladies of the Club followed in the form of Katy Camp-

bell who came 783rd in 1:57 and Kathy Layzell who came 1020th in 2:06.

The race was won by Jonah Cheshum in the time of 1:09. Six Honiton runners went to Charmouth on Saturday to take part in the CHARMOUTH CHALLENGE organised by Charmouth Primary School. The weather was a little too hot for racing although runners did feel the benefit of a cooling breeze on some of the descents.

The race is the most southerly fell race in the country and includes two steep and long climbs.

The first is within the first mile climbing up the infamous Stonebarrow Lane and later on in the race runners climb up Golden Cap, the highest point on the South Coast at

It's all worthwhile though as racers are treated to the breathtaking views of the Jurassic Coast.

The winner was Jamie Parkinson in the amazing time of 50:32. Honiton's first runner home was Steve Davey who came 53rd in 1:10. Howard Bidmead knocked minutes off last year's time coming 65th in 1:12 and he was followed by Mark Dallyn who also had a great run to come 68th in 1:13.

udy Davey was pleased to come 80th in 1:16 just ahead of first timer for the race Tim Wigram who finished 87th in 1:17. Nicola Greenland is relatively new to HRC and this was a brave race to tackle. She finished 164th in 1:29. There were 231 finishers

Sam Dowson and his brother Archie tackled the fun run

Sam did amazingly well to come 4th overall just 15 seconds behind Mathew Lissenburg who won the race. Archie is showing incredible form for his age and came 11th in 13:43. There were 151 finishers in this race.

AXE VALLEY RUNNERS with Dave Mutter

THE eight-mile CHARMOUTH CHALLENGE that includes a traverse of Golden Cap, the highest point on the south coast, is quite often held under sultry conditions.

This year was no exception and as usual the climb up to Golden Cap was performed under suffocating heat.

Jamie Parkinson of Dartmoor Runners embraced the

conditions to win in 50:32.

Matt Clist was the first AVR home, 4th overall in 54:40.

he was followed by Jonathan Day 29th, 1:03:59; Chris Keeffe 51st, 1:09:31 just ahead of Simon Gould, 52nd, 1:09:54. Eleanor Wood was the first over 50 lady, 57th overall in

1:10:51 with Robin Britton 83rd, 1:17:07. Margaret Pearce was chuffed to finish 109th, 1:20:34

ahead of a battle between Chris Hill and Nick Adams that was won by Chris who was 141st, 1:25:16 with Nick 4 sec-

Anna McIoughlin was 149th, 1:26:26 and Mark Hardin-Perrott 166th, 1:29:25 just ahead of Angela Kerr 176th. 1:31:50. Canny Hart was 200th, 1:41:10 and Robert Kerr finished 202nd, 1:41:38 with Martin Kerr 213th, 1:44:02. There were 231 finishers of this tough challenge.

Chris Watson ran the shorter 1.8 mile course that still encompasses the ascent up the notorious Stonebarrow Lane and ran well to be 17th out of 151in 14:01.

IT was fortunate that there was a light breeze as conditions were very warm for the players competing in

There was a draw for playing partners and the format was a Greensome Stableford. This meant that all players were able to drive and then choose the best drive to take for the next shot. Thirty four members participated and the winners

were Jan Portlock & Ian Guy with 38 points. In second place were Di Wall & Peter Clarke with 37 beating . Janet Hughes & Jason Gosling on countback
